SUBJECT: **DEPARTMENT OF PUBLIC SOCIAL SERVICES – STATE MANDATED
FINANCIAL AND COMPLIANCE AUDITS OF PROGRAM CONTRACTS
- FISCAL YEAR 2011-12**

The Department of Public Social Services (DPSS) administers and contracts with private firms for services related to various State assistance programs. The contracts include clerical support, training, case management services, and service coordination for programs such as CalWorks Support Services, Careers in Child Care, etc. The State requires the County to conduct financial and compliance audits of each contract, after the contracts have expired, to ensure the contractors complied with all State requirements.

At DPSS' request, we contracted with an independent Certified Public Accounting firm, Bazilio Cobb Associates, PC (BCA), to conduct the financial and compliance audits of 11 DPSS program service contracts that expired in Fiscal Year 2011-12. Payments to the 11 program service contractors totaled \$46.9 million.

Review Summary

As indicated on the attached schedule, the audits disclosed that DPSS overpaid three contractors a total of \$877. The overpayments resulted from the contractors' lack of appropriate documentation.

Review of Report

BCA discussed their reports with each contractor and DPSS. DPSS management indicates that the Department has collected all monies owed, totaling \$877, from the three contractors (Pathways, Connections for Children, and Phoenix Houses of California).

Due to the number of audits, copies of the individual reports are not attached, but are available for review. Please call me if you have any questions, or your staff may call Robert Smythe at (213) 253-0101 if you wish to review any of the reports.
